Dear Mr. (b) (6)

I am writing you to provide a courtesy notification that EPA representatives will be conducting an inspection of the R.J. Refinery site in LaBarge, Wyoming, pursuant to the Oil Pollution Act of 1990. I understand that you are not claiming an ownership interest of the real property at the site, but I wish to notify you of EPA's activities because you are a secured creditor for the property. EPA representatives will conduct an inspection of the tanks at the site to determine compliance with the Spill Prevention Control and Countermeasures (SPCC) provisions of the Oil Pollution Act. The inspection will take place the week of May 3, 1999.

If you have any questions, please call me at (303) 312-6822. Thank you for your cooperation in this matter.

Sincerely,

Joyce M. Ackerman
